Q5

Introduction

The streamlined Audi Q5

The Audi Q5 isn't a typical SUV: it combines the poise and athleticism of a coupé with the practicality and space of a much larger car. It also offers the exceptional grip of quattro® all-wheel-drive, 17-inch alloy wheels and some other advanced features you might not expect. There's a choice of direct-injection TDI® and FSI® engines, a five-link front suspension and optional S tronic® or tiptronic® transmission – ensuring that the Audi Q5 delivers all the handling and performance its coupé-like shape suggests.

This guide has been designed to help you tailor and price your Audi Q5 quickly and logically. In this guide, you will find information on CO2 emissions-based taxation and the other services offered by Audi.

Audi Ireland has made every effort to ensure the accuracy of this information but does not accept any liabilty for errors. You can also configure your Audi Q5 online at audi.ie

Click this target for more information.
Targets are found throughout the Product Guide.

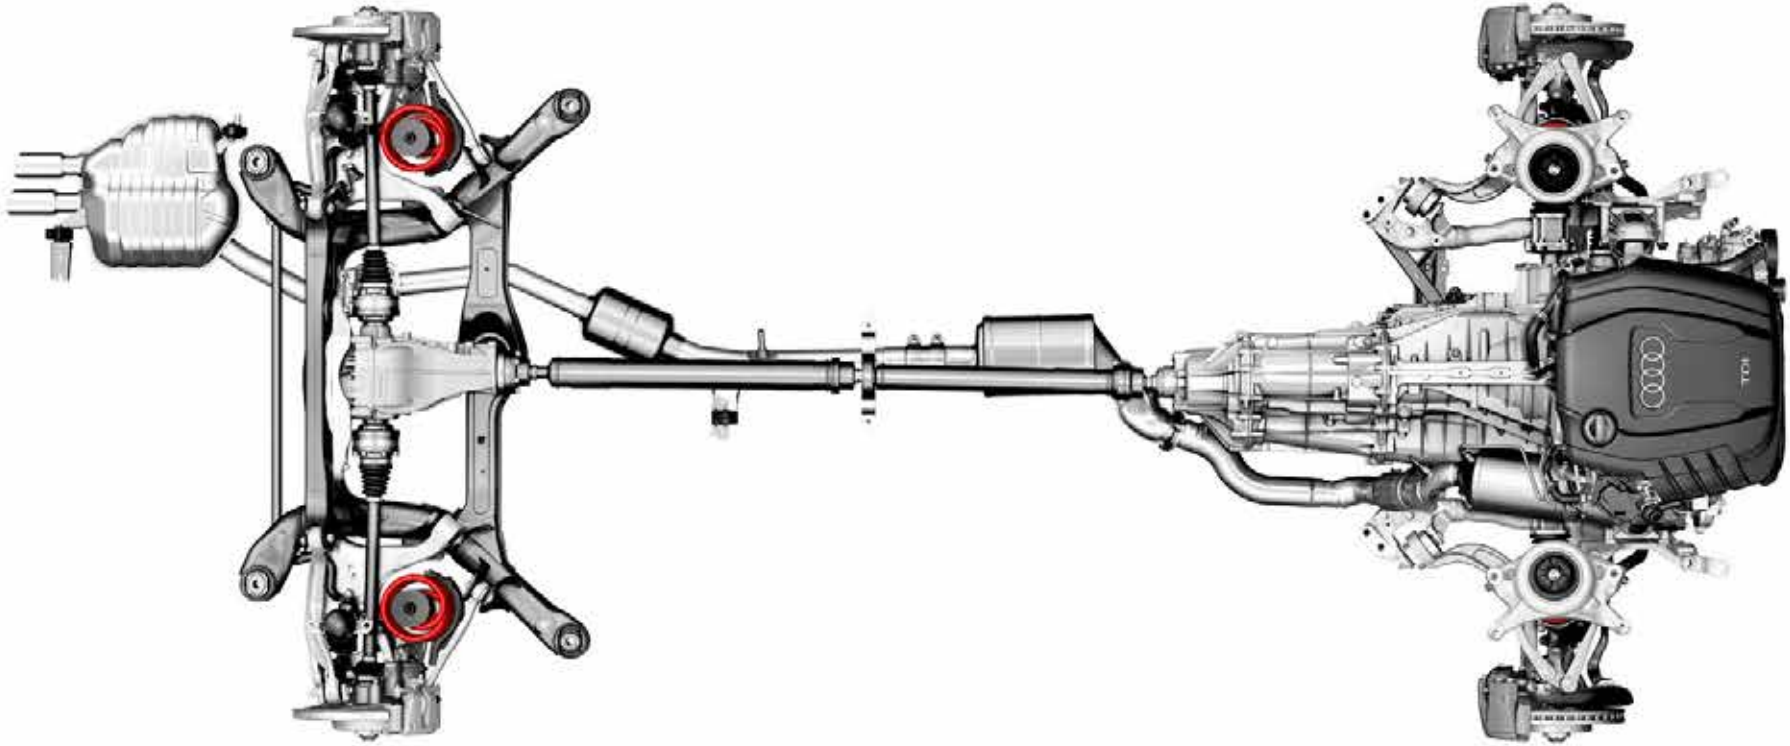
Audi Efficiency Leads the Way

For Audi, efficiency is the sum of a large number of individual measures that combine to produce one major result – the combination of low consumption, comfort and immense driving pleasure. In order to reduce fuel consumption and emissions, the engineers at Audi work intensively on all vehicle components and systems. This applies as much to the continued development of innovative engine technology as it does to highly efficient drivetrain and transmission components, intelligent lightweight body construction and streamlined aerodynamics.

What sounds perfectly normal now was cause for huge excitement 20 years ago, when Audi revolutionised the market with the first 2.5 TDI engine. Since then, developments such as common-rail technology have made TDI even more efficient. Injectors ensure the fuel is finely and precisely distributed. Consequently, since the first TDI, the engines have become more economical, whilst specific output has increased. In the Audi Q5, both the engine power and efficiency are impressive: the 2.0 TDI engine with 143bhp consumes only 5.3 l of diesel per 100 kilometres and sits in Tax Band B2 . In addition, the engines are characterised by good acoustics and excellent running smoothness.

Click the target to find out more about Audi Efficiency

The advantage of quattro®



With quattro®, we have created one of the best all-wheel drive systems in the world.

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Q5 so thrilling to drive.

It's called quattro® permanent all-wheeldrive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the Q5, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

Click the target below for more information on quattro

If the wheels on one axle of the vehicle lose grip on the road and threaten to spin, the wheel-selective torque distribution transfers the power through the transfer gear box and the Haldex clutch to the axle or individual wheel with the better grip.
The benefit is better traction and thus improved acceleration as well as more safety thanks to more balanced lateral guide forces.

What is a Personal Contract Plan?

Options
Decide on 1 of 3 options

Finance
Outstanding amount between the deposit GFV

Deposit

Audi Finance Personal Contract Plan (PCP) gives you flexible finance options and the convenience of a guaranteed future value (GFV) for your new Audi. This personal contract plan is based on a hire purchase agreement with a difference. It allows you to use the equity in the future value of your Audi to reduce your monthly payments and avail of a shorter termed agreement. A PCP contract over 36 months may have similar monthly rentals to a 60 month agreement using traditional hire purchase.

You pay a small deposit (as little as 10% of the purchase price) and benefit from attractively low monthly installments and a guaranteed future value for your new Audi. At the end of your contract you may choose to change your Audi for a brand new model, keep it or simply return it to your dealer.

So, whether you want to drive the latest and safest model, upgrade regularly or simply keep your new Audi, Audi Finance PCP makes your money go further.

Standard equipment

Safety and Security

- 3-point seat belts for all five seats, front with height adjustment and reminder function
- Full size airbags with front passenger airbag deactivation
- Side Airbags- Front with Curtain Airbag
- Central locking - radio operated via key. Locks doors, boot and fuel filler cap.
- Light and Rain Sensor
- Electronic Stability Program (ESP) with two stage deactivation
- Anti-Lock Braking System (ABS)
- First aid kit with warning triangle
- Recuperation
- Start-Stop System
- Traction Control (ASR)
- ISOFIX for outer rear seats and front passenger seats
- Child Proof Locks
- Seatbelt Warning with electric contact in buckle
- Audi Service Key
- Tyre Pressure Monitor

Audio and communication

- Audi Music Interface - provides iPod connectivity (in conjunction with adapting cable)
- Concert Radio system
- Single CD player supporting MP3 WMA and AAC formats
- Voice Control
- 8 Passive Speakers in front and rear with 80w output
- Bluetooth Interface
- Driver Information System
- Driver Information System in colour (SQ5 only)

Seats

- Head restraints for all 5 seats, manually height adjustable
- Havana Cloth upholstery
- Split folding rear seats - 60/40 format
- Standard front seats - front seats with manual adjustment of seat height, seat fore / aft position and backrest angle
- Heated, Electric Front Sport Seats finished in Fine Nappa Leather with Power Lumbar support for the front Seats (SQ5 only)

Interior equipment

- 4-spoke leather multi-function steering wheel
- 3-spoke leather multi-function sports steering wheel with tiptronic shift paddles (SQ5 Only)
- Glove compartment with interior light
- Cigarette lighter and ashtray
- Front and rear floor mats coordinated with the selected interior colour
- Front sun visors with vanity mirrors
- Inlays in Micrometallic Platinum
- Inlays in Brushed Aluminium (SQ5 only)
- Cloth headlining in Black (SQ5 only)
- Automatic Air Conditioning with sun sensor
- Instrument cluster with km/h, clock and tachometer
- Electric windows (front and rear)
- Cruise Control
- Front Centre Armrest
- Interior mirror with automatic anti-glare action
- Luggage compartment floor covering
- MMI Operating system
- Bottle / Cup Holders for 4
- 2 x 12v Power Sockets
- Interior Lighting Package (SQ5 Only)

Exterior equipment

- Chrome Roof Rails
- High Gloss Package with chrome door sill trims and boot loading sill trims
- Electrically folding/adjustable and heated exterior mirrors
- Front and rear fog lights
- Exterior Mirrors finished in aluminium (SQ5 only)
- Audi single frame grille in high gloss black
- Twin chrome exhaust pipes (Single pipe on 2.0TDI)
- Windscreen washer jets (heated)
- Side indicators with LED integrated light signal
- Headlight range adjustment
- Xenon headlights with LED daytime running lights with headlight washers and LED Rear lights
- Rear Acoustic Park Assistance
- Tailgate unlocking from the outside (on key fob)
- Power operated tailgate with operating lever inside (SQ5 only)
- Windshield and side/rear windows in heat-insulating glass
- Wrap around tailgate at rear
- Door handles with chrome clasp, chrome apps on tailgate

Technical, Wheels, Tyres and suspension

- 17” Alloy wheels, 8Jx17, 7 spoke design with 235/65 R17 tyres and locking wheel bolts
- 20” Alloy wheels, 8.5Jx20, ‘5 parallel-spoke’ design with 255/45 R20 tyres and locking wheel bolts (SQ5 only)
- 6-speed manual transmission
- Audi backguard head restraints
- Hill Hold Assist (S-Tronic/Tiptronic Only)
- Hill Descent Assist
- Electromechanical parking brake
- Dynamic suspension
- Sports suspension (SQ5 only)
- Electromechanical Power Steering

Audi S Q5

Head turning quality

The Audi Q5 was built to break the mould. With a long, broad body and smooth, sweeping lines, it deliberately avoids the traditional 'boxy' look of an SUV. The eye-catching styling features of the new Audi SQ5 including a platinum grey single-frame grille with double bars in an aluminium-look finish, roof spoiler and 'S' air intakes accentuate the already distinctive design of Audi Q5 range.

The S Q5 adds the following items of standard equipment.
- Black Cloth Headlining
- 3 Spoke Multifunction Steering wheel with Shift Paddles
- Sport Seats finished in Fine Nappa Leather
- Power lumbar support
- 20" Alloy wheels, 8.5Jx20 in '5 parallel-spoke' design with 255/45 R20 tyres and locking wheel bolts
- Electrically adjustable and Heated Seats
- Colour Driver Information System
- Interior Lighting Package
- Sports Suspension
- Power Operated Tailgate
- Tyre Repair Kit
- Inlays in Brushed Aluminium
- Xenon headlights with LED daytime running lights and LED Rear lights
- Exterior Mirrors in Aluminium Look
- Extended Leather Package

A suspension designed for supreme performance

The Audi SQ5's sports suspension lowers the vehicle by 30 millimeters and has been designed and configured for agility, confidence and dynamic driving. With its high-performance engine and gearbox combinations, you'll experience sporty handling combined with very high standards of safety.

The 'S' sports suspension limits body movement when pulling away, braking and cornering. The result is assured road-holding, more precise steering and an altogether sportier driving experience.

A first for S models

The 3.0 litre BiTDI engine, the first diesel engine to be introduced to the 'S' range, delivers a powerful 313HP and 650Nm of torque. This superb performance powers the Audi SQ5 from 0 to 100kph in 5.1 seconds (top speed is electronically limited to 250kph).

A fast and smooth-shifting eight-speed tiptronic plus quattro permanent all-wheel drive with torque vectoring transfer the power of the brawny V6 diesel to the road.

Audi Exclusive

Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik.
But for that special touch you can specify your new Q5 with options from Audi exclusive.
Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.
Both the exclusive and standard options can be found in this Product Guide

Click this target to find out more about Audi Exclusive

Audi Exclusive

Upholstery

With Audi exclusive, you can specify your seats in Valcona, Fine Nappa leather or a leather/Alcantara combination, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Jet grey

Alabaster white

Sand beige

Saddle brown

Chestnut brown

Crimson red

Magnolia white

Havanna brown

Cognac brown

Night blue

Cloudy grey

Smoky blue

Iceland green

Powder beige

Classic red

Audi Exclusive leather package prices start from €2,005 on top of Nappa Leather packages.

Audi Exclusive

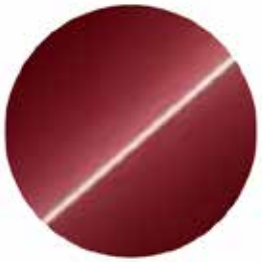
Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Palace blue, pearl effect

Sand beige, pearl effect

Saddle brown, pearl effect



Classic red, pearl effect

Mamba black, metallic

Ipanema brown, metallic

Customised

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.*

*Custom paint is subject to factory approval, and is available for metallic and pearl-effect water–based paints only. Three–colour process colours and two–tone schemes are not available.
†Visit your local Audi Dealer for colour samples.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi Ireland cannot guarantee that colours shown are 100% accurate. Visit your local Audi dealer for a more accurate colour swatch.

Customised paint

Audi Exclusive paint prices start from €2,325 on top of normal metallic prices

Q5 SE

PRN - 18” 5 V-Spoke Design Alloy Wheels

PEB - Milano Leather Upholstery

4A3 - Seat Heating for Front Seats
